

Resistori

**PRW ASSIALE  $\pm 5\%$  8.2K $\Omega$**

RESISTENZE C CER PRW 20W J 8K2

Codice Adimpex: **AR209282-R**

P/N: **PRW020JP822B00**

Caratteristiche Tecniche:

|                                 |                             |
|---------------------------------|-----------------------------|
| Dimensione cassa ceramica (mm): | 14.5x13.5 L60               |
| Potenza (W):                    | 20 W                        |
| Resistenza (Ohm):               | 8.2K                        |
| Tipologia:                      | Assiale                     |
| Gamma:                          | Resistori in cassa ceramica |
