

Resistori

**PRM RADIALE  $\pm 5\%$  0.1 $\Omega$**

RESIST.C CER CR-M 5W J 0R1 RAD

Codice Adimpex: **AR350,10AD**

P/N: **CR-M 5W0,1RJ**

Caratteristiche Tecniche:

|                                 |                             |
|---------------------------------|-----------------------------|
| Resistenza (Ohm):               | 0.1                         |
| Dimensione cassa ceramica (mm): | 13x9.5 L25                  |
| Potenza (W):                    | 5 W                         |
| Tipologia:                      | Radiale                     |
| Gamma:                          | Resistori in cassa ceramica |
